## MAUI NEWS IS LIVELY

Wailuku Schools to Render "Gypsy Queen."

HIGH PRICES FOR GARDEN TRUCK

Considerable Need on the Island for Instruction by Jared Smith.

Maui, May 24.—The district teachers of Makawao held their regular monthly meeting in the Makawao school house on the afternoon of May 20. The order of exercises was of shorter duration than is usual owing to the non-appearance of two teachers appointed to take part in the program.

Miss Oss of the Haiku school gave a lesson on primary geography and Mrs. Sabey of the Spreckelsville school conducted the discussion on James Russell Lowell's "The Vision of Sir Launfal."

Rev. Mr. Thwing of Honolulu was present and in a brief, informal way pointed out some differences between American and Chinese schools. Mr. Thwing has been a teacher in one of the schools of China for several years, using the Chinese language in his pedagogical work.

During the evening of June 6th the Wailuku Government school children, under the skillful direction of Miss Margaret Nape, will give the well-known cantata, "The Gypsy Queen," in the large hall of the school. This musical entertainment will undoubtedly prove one of the best given on Maui for several years past. Misses Nape and Hons and Mrs. Austin will take leading parts. The operetta will exhibit many elaborate costumes, not to mention the music, solos and choruses, all of which are charming. The proceeds will be devoted to settling the balance due on the school piano purchased some time ago.

Pala plantation lost nothing by the burning of six acres of cane at Grove Ranch during the night of the 13th, for all of the burnt cane has since been ground into first-class sugar. The fire started at 11 p. m. It is surmised that some Porto Rican laborer while sleeping in the field accidentally dropped a lighted cigarette.

The split of spring—perhaps it is not has caused baseball to become suddenly popular on Maui. During the 19th the Wailuku club played All Spreckelsville on

the Kahului grounds and won the game by the score of 18 to 2.

During the same day in upper Makawao, the local nine defeated the Kokomo team; score 14 to 11.

During the afternoon of the 21st Mrs. F. F. Baldwin of Pala gave an afternoon tea in honor of her guest, Mrs. S. E. Damon of Honolulu.

On the 23d, Judge A. N. Kepolka gave a luau at his fishery headquarters in Kahului.

On June 1 Manager W. J. Lowrie of Spreckelsville will take a three months' trip to the Coast. He will visit Lake Tahoe and New Orleans. Mrs. Lowrie and Miss Clara Lowrie will accompany him.

Rev. and Mrs. Thwing of Honolulu are at Puuomalei, Makawao.

Mr. and Mrs. Fred. Potter and Miss Paty of Honolulu are the guests of the H. A. Baldwins at Olinda House.

Next week Mr. and Mrs. W. S. Nicoll of Hamakua will depart for a several months' visit to Scotland.

On the evening of May 31 the young men of Spreckelsville will give a dancing party.

A. P. Taylor and L. C. Parish of Honolulu were the guests of Miss Crooks last Saturday and Sunday.

Ulupalakua and upper Kula have had several inches of rain recently.

It is stated that E. H. Pieper will soon build a hotel at Pala. This will be No. 2 for Pala, as Antonio Fernandez, Jr., has been running a good public house for several years past.

Maui people generally would be most grateful to Jared Smith if he would teach the garden farmers of the island how to raise sufficient vegetables to supply the local market. At present there is a great scarcity of all kinds of green things. Cabbages of a moderate size are bringing fifty cents each in Wailuku.

Weather—Very warm, very dry and very dusty.

#### HUTCHINSON SUGAR CO.

Overdraft Being Paid by Reduction in Dividends.

SAN FRANCISCO, May 15.—Hereafter the business year of the Hutchinson Sugar Plantation Company will end on December 31st, instead of on March 31st, and the annual meetings of the stockholders will be held on the fourth Tuesday in March instead of on the second Tuesday in May. At yesterday's annual meeting the manager reported that there had been forty-eight inches of rain against twenty-nine in the previous twelve months, but that the rain in the uplands had been much less, thereby delaying grinding until the storm in February, since which time the water had remained fairly well on.

From the financial statement it appears that the receipts of the Hutchinson amounted to \$717,755.45, including \$19,100.20 balance on hand from the previous twelve months. The disbursements were composed of the items of \$317,104.56 for expenses, \$36,207.38 for betterments, \$99,783.95 for store goods, and \$300,000 paid out in dividends, making a total of \$748,095.89, leaving an overdraft of \$30,340.44, which the reduction of 5 cents a share in dividends will pay off in six months.

Tourists and visitors should not fail to take a ride on the Pacific Heights Electric Railway. Unsurpassed view of ocean, mountain and valley, and the stretched-out city. Round trip, 10c.
